Handwoven Jute Runner with Natural Latex Backing

The Herringbone Natural/Ivory Handwoven Jute Runner is crafted from 100% natural jute, featuring a chunky two-tone herringbone weave that brings warmth, texture, and timeless style to hallways and interior spaces. Handwoven in India on a traditional wooden loom and finished with a natural latex backing, its blend of natural and ivory tones creates a relaxed, organic aesthetic that complements coastal, contemporary, and classic interiors.

Colour & Texture Variations

Please note that colours may vary slightly across screens and devices due to individual display settings, lighting conditions, and monitor calibration. As each rug is handcrafted using natural fibres, subtle variations in colour, texture, and finish may occur, enhancing the unique character of every piece.

Care and Maintenance

- Vacuum regularly using suction only.
- Blot spills immediately with a clean, dry cloth.
- Keep dry at all times and avoid excessive moisture.
- Rotate periodically for even wear.
- Use a rug pad for added protection and stability.
- Professional dry cleaning is recommended for deep cleaning.

Natural Fibre Characteristics

As a natural fibre, jute may experience some shedding, sprouting, and loose ends, especially when new. This is a normal characteristic of handcrafted jute rugs. Do not pull loose fibres, as this may damage the weave; simply trim them with sharp scissors or gently tuck them back into the rug.
